

Application

WIND TURBINE TECHNICIAN ACADEMY

Kalamazoo**VALLEY**[™]
community college

The Wind Turbine Technician Academy accepts students into the program by using a screening process which aligns with the requirements of industry employers. The application process identifies students with the pre-requisite knowledge and experience needed for success in the Academy and to assure graduates have the skills, characteristics, and capabilities employers require for hire.

APPLICATION INSTRUCTIONS

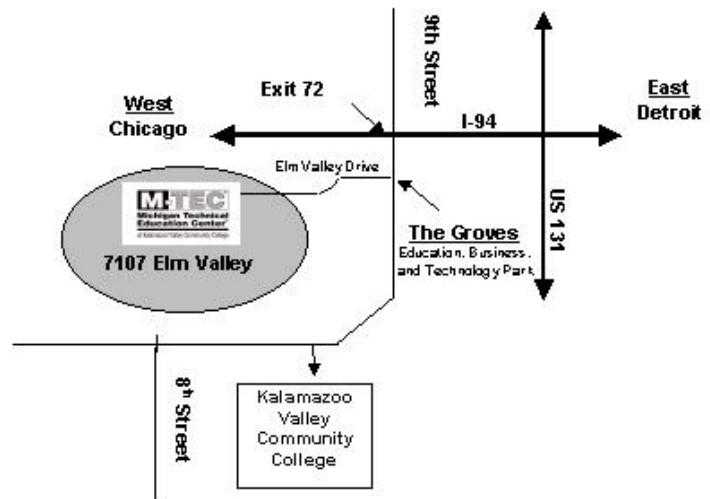

1. You must answer every question. If the question does not pertain to you, write "N.A." within the appropriate space. An extra page has been provided if more space is needed to answer the questions. Be sure to include the question number when using the extra page.
2. If you have any questions, please call 269.353.1282.
3. Completed applications:

Mail or deliver to:

WIND TURBINE TECHNICIAN ACADEMY STUDENT APPLICATION

Date ____/____/____

Name: _____
Last First Middle Nickname

Current Address: _____
Address City State Zip Code

Primary Phone: (____) - _____ Work Phone: (____) - _____
Home Cell Other

Secondary Phone: (____) - _____ Email Address: _____
Home Cell Other

I am 18 years of age or older. Yes No

I have a valid driver's license. Yes No

I have worked at heights. Yes No

I understand that employment as a Wind Turbine Technician is likely to require me to travel extensively or relocate at the request of an employer. I am willing and able to accept this type of employment and meet the travel requirements of my employers. Yes No

I understand that this occupation requires the ability to perform strenuous work (lifting, climbing, etc.) in extreme conditions, in remote areas, and at great heights. I understand I will be required to demonstrate my ability to perform this work as a part of the application process. Yes No

Work performed by Wind Turbine Technicians requires the use of Personal Protective Equipment (PPE). The average weight of equipment carried by a Wind Turbine Technician is 50 pounds. PPE is rated for no more than 310 pounds. Weight + Equipment must = less than 310 pounds. I weigh less than 260 pounds. Yes No

Tell us why you have applied for admission to the Academy and how it fits into your long term goals.

The Wind Turbine Technician Academy requires experience in electrical **and/or** mechanical field of work. This criterion is typically satisfied through **verifiable paid work experience in a field where the use of tools and mechanical and/or electrical equipment is required**. Experience as an intern, participation in an educational program, apprenticeship and other experiential work will be considered when clear and specific examples of relevant work performed is fully described.

Please provide a detailed description of those aspects of your background which satisfy this requirement. In the reference section please list individuals that can verify these aspects of your background.

REFERENCES

Provide the names and phone numbers of **at least two** people who can give information that supports:

- your ability and willingness to fulfill commitments you make
- your ability to communicate effectively with others and to work as a member of a team
- your mechanical or electrical skill experience
- your work or school attendance
- your interest and suitability for this career

*Include a minimum of **two professional references** (i.e., employers, co-workers, teachers). **Please DO NOT LIST relatives.***

Please contact your references in advance to help them be prepared for our call. A letter of reference will be considered, but not required.
